Introducing the **LINT HOG™**

Want to save money and time with each job you complete? You can when you use Mytee's® new **Lint Hog™** filter, Model No. F200.

The **Lint Hog's™** stainless-steel mesh filter traps debris as it passes through. Designed for use with 2" diameter vacuum hoses, the **Lint Hog™** keeps dirt, lint and other debris from damaging the extractor's vacuum motor, which can lead to down time and costly repairs. The translucent unit's sturdy, roto-molded, polyethylene body will protect your extractor for many jobs to come.

Now, save even more by cashing in our introductory offer. Regularly **\$99 MRSP**, we've slashed the **Lint Hog's™** retail price to **\$85**.
