

# WEEKLY FEATURED PRODUCT

“Getting acquainted with Mytee® one product at a time.”

## It's a full-size extractor in disguise!

The 8070 Mytee-Lite™ II is packed with the power of bigger, heavier extractors, but weighs only 43 pounds, so it's easier to move and store. No wonder it's one of our bestsellers!

Features a:

- Lightweight, 3-gallon tank.
- 1,000-watt in-line heater with 210° maximum temperature
- Two-stage vacuum motor with 85" of water lift.
- 120 PSI diaphragm pump that moves 1.3 gallons per minute.
- Single 25' power cord.
- Durable housing made of tough, roto-molded polyethylene material that resists rusting and denting.
- Limited lifetime warranty.

So lighten your load and flex your power with the 8070 Mytee-Lite™ III!

Package includes 15' vacuum/solution hose combination and 4" stainless steel upholstery tool.
