“Getting acquainted with Mytee® one product at a time.”

Power up and feel the heat of the 1003DX Speedster® Deluxe!

The most powerful portable extractor of its kind in the industry, the 1003DX packs unbeatable vacuum, heat and pressure into its 12-gallon housing. It's built to tackle the toughest jobs, with:

MSRP
\$2,369.00

- A 2000-watt, 210° maximum heater
- 500 PSI adjustable pump
- 1.6 GPM
- Two 3-stage vacuum motors
- 137" H₂O
- 200 CFM
- Waist-high controls
- Bucket-high drain
- Easy-open vacuum tank lid
- Adjustable pressure regulator
- Two 50' detachable power cords
- Durable roto-molded polyethylene body

Harness the power of the 1003DX Speedster® Deluxe.

Coming in mid-June

Get even more from your 1003DX Speedster® Deluxe by turning it into a pump-out extractor with Mytee's® new **Piggyback™** pump. Pump out 3.3 gallons of solution per minute hands-free when you add the **Piggyback™** to the 1003DX.

MSRP
\$399.00

It's a snap:

- Attach the pump to the extractor's back handle.
- Insert the dip hose and tighten the 8" tank lid.
- Connect the output hose to a standard garden hose to drain.
- Plug it in and turn on.

The **Piggyback™** fits all Mytee® Speedster™, M-Series™, Breeze™ HP100 GrandPrix™, Contractor Special extractors – **and is universal for any extractor brands with the same-style lid.**

Get on board with the Piggyback™ pump. Place your order today!
