The WAVE™

of the future is here today. Introducing Mytee’s® revolutionary new shampoo tank.

You’ve never seen a shampoo tank like this! **The Wave™** is making a big splash, setting groundbreaking industry standards for this carpet-cleaning staple. Never before in the industry has a tank had this many unique, user-friendly features:

- A graduated, translucent 4-gallon tank that allows for precise measuring.
- A big-mouth fill port for easy fill-up with a bucket.
- A tethered lid that prevents its loss.
- A built-in, easy-fill hose that connects to any standard sink faucet.
- A quick-release clamp system that holds the tank tightly in place, preventing wobbling and puncturing.
- A rear tank drain for easy emptying.
- A universal design that fits most floor machines.

Forget the outdated shampoo tank you’re probably using now, and catch **The Wave™!**
